DEDICATION

IN recognition of his leadership in business, civic, and church activities, his clean sportsmanship, Christian character, and magnetic personality, and in grateful appreciation of his interest in and support of Morris Harvey College, the Harveyan Staff of 1933 affectionately dedicates this volume to

M R. R. R. STEELE

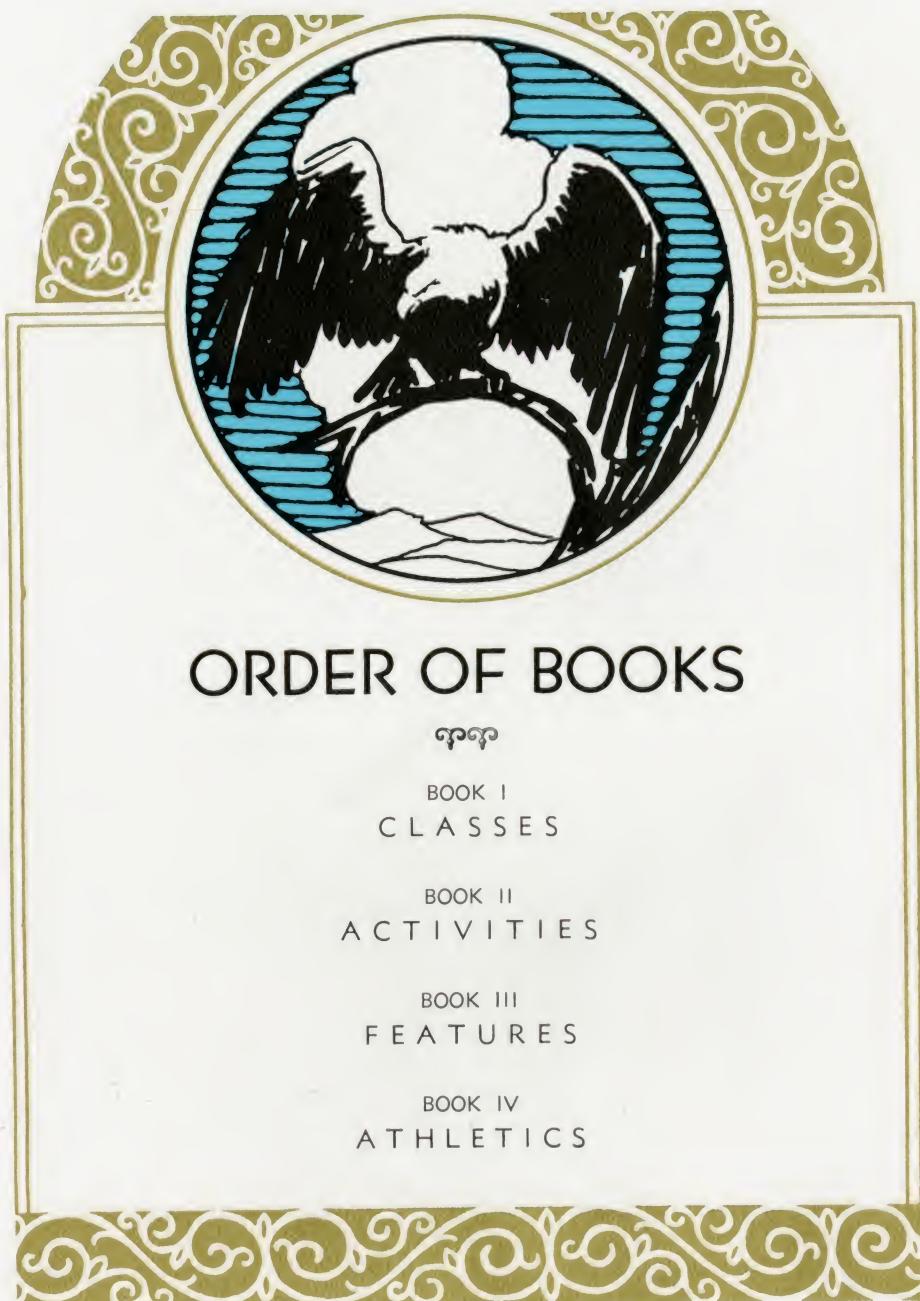

FOREWORD

¶¶¶

FOR many years Golden Eagle Teams have carried the colors of Morris Harvey College in athletic contests. It is fitting, therefore, that the Staff of 1933 should choose such a theme for this book. Through it we have tried to give you an eagle vision of a year's activities at our Alma Mater. If, in these pages, you may find joys, pleasant memories of friends and school, and happiness in the years to come, our labors shall have been rewarded.

1932 FOOTBALL SEASON

Nine defeats in nine games was the record of the Golden Eagles for the 1932 football season.

The Golden Eagles opened the season on September 24 against Thiel College at Greenville, Pa. They made a good showing, holding the strong Lutheran eleven to a score of 19-0. All three touchdowns came as the results of breaks of which the victors made the utmost. Until late in the final period it was an almost even contest between two stubborn defensive lines.

The climax of the season for the Eagles came on September 30, when they played Marshall College at Fairfield Stadium. Huntington sports writers agreed with Morris Harvey rooters that the Red and Gold warriors out-played their ancient foes the greater part of the contest. The Methodist line was clearly superior to the forward wall of the Green. But a superior

passing attack enabled the Herd to win, 13-0. In the second quarter the Eagles were pounding at the opposing goal line and believed that they had scored but the referee ruled otherwise.

Morris Harvey encountered Bluefield College at Bluefield on October 8 and lost, 12-6. In the early part of the fray the Eagle backs, particularly Canterbury and Rutter, made long gains. But within a few minutes both of them were forced from the game by injuries, thereby greatly weakening the team. The Rambling Reds made most of their gains on passes. McDonald blocked a punt and the Eagles recovered the ball on the Red two-yard line, Wagner taking the ball off left tackle for a touchdown.

A smooth running Glenville College eleven handed the Eagles their worst beating of the season October 14 at Kanawha Park, Charleston, knifing and battering their way through the Red and Gold line for a 38-6 victory. Morris Harvey's only score came in the fourth quarter when, on a power

play through the center of the line, Canterbury carried the ball 35 yards for a touchdown. Superb punting by O'Connor and consistent playing by Canterbury and Wagner in the backfield were other bright spots in the game.

The Golden Eagles met the Salem College Tigers in a charity contest on Washington Irving Field, Clarksburg, October 21, and lost by a score of 15-6. Morris Harvey scored in the latter part of the fourth quarter as the result of two long passes. They advanced the ball 70 yards in two plays. Wagner threw a bullet pass to Roberts from the 30 and the latter ran to the Salem 43 before Fagler brought him down. Wagner on the next play threw a beautiful long pass to Martin who caught the ball, running full tilt for the Salem goal.

Displaying a marked reversal of form the Eagles held the undefeated University of Dayton eleven to an 18-0 score at the Dayton stadium on the

night of October 28. A new combination was used in the line and it showed up particularly well. Griffin's work at center was especially noticeable.

O'Connor made a favorable impression upon the home town fans by his punting. He got off 14 kicks successfully for an average of 35 yards. Some of them traveled 60 yards.

Sloshing through the mud on a rain-soaked gridiron, West Liberty College pushed over two touchdowns to win from Morris Harvey, 12 to 0, at New Martinsville on November 5. The Eagles came within inches of scoring in the final period after recovering a West Liberty fumble on its 45-yard line but was held for downs.

Keen disappointment greeted the home-coming crowd which braved the low temperature and biting wind at King Field on November 12 to see Morris Harvey play Transylvania College from Lexington, Ky. Believing that the Eagles would win they were shocked to see the visitors emerge victorious by a score of 7-0. Four times in the third period the Eagles had the ball within the 20-yard line but were unable to score. Wagner and Rutter bore the brunt of the Eagle attack. The feature of the defensive work was the stellar performance of Griffin at center.

Morris Harvey closed the 1932 season at Latrobe, Pa., on November 18, by losing to the Bearcats of St. Vincent College by a score of 25-0. A strong aerial attack in the closing minutes of play gave the victors the majority of their points.

After the close of the season Cosby Blackwood was chosen as a guard on Pat Beacom's All-Conference team, while Joe Miller was named a guard on the United Press All-State eleven.

The Liberal Arts College

"Character building through education is the main objective of a Christian college. It reinforces education at the weakest point."

"Narrowing grooves of specialization require corresponding emphasis on broad culture, if democracy is to succeed."

"Liberal arts training is centered about the student and teaching rather than about subject matter and research."

"Ability to think clearly is a necessity in this day of complex social life. It distinguishes the superior from the mediocre man."

These quotations apply to Morris Harvey, a standard four year Liberal Arts College, now approaching its Fiftieth Anniversary. Its scope of service is increasing with the years.

World's Fair

IF YOU WANT TO SAVE MONEY—
AND SEE THE COUNTRY !

THAT'S to go by Atlantic Greyhound bus. First of all, the cost is far, far less than other public transportation—about one-third the cost of driving your own car—even less than gasoline and oil. Second, these modern buses are amazingly comfortable—stopovers can be made at interesting places, round trip tickets allow liberal return privileges.

And it's truly a wonderful Exposition. Life, color, excitement—two years of education packed into one week.

CONSULT YOUR ELECTRICAL DEALER

ON *the ease and convenience of electrical appliances for HOUSE CLEANING*

IS YOUR house equipped for easy operation? Think for a moment of all you must do to keep it clean and attractive. There are curtains to be washed and ironed . . . slip covers that must be laundered . . . furniture and draperies to be cleaned . . . floors to be swept and polished. All these things can be done in half the time and with much less than half the labor by using electrical appliances instead of old-fashioned implements.

Call on your electrical dealer to-day and ask him to show you the newest models . . . vacuum cleaners . . . washing machines—irons and floor pol-

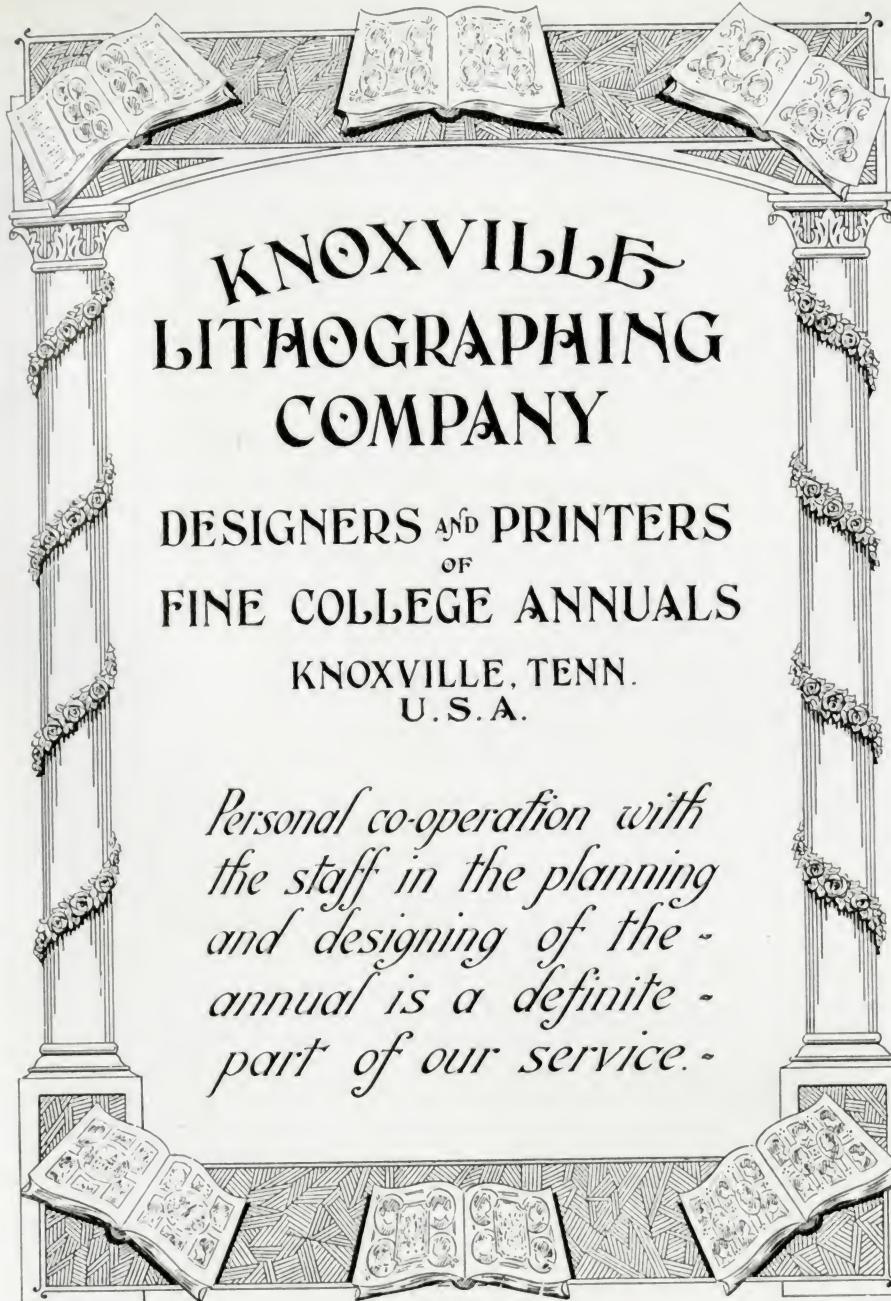

ishers. He will gladly demonstrate the latest improved devices and you will be surprised at the present low prices of these labor saving machines.
